JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 25 May 1967

25X1

1. [ ] JSW) Talked with Representative Alexander Pirnie showing him an editorial by Mr. James Loeb, of the Adirondack Daily Enterprise, asking if he would be interested in putting this in the Congressional Record. He looked it over and said he would be most happy to do so. Later in the day, he called me and read me the introduction which he was to use stating, however, he was going to ask Representative Robert McEwen, in whose district the newspaper is located, to put it in.

25X1

2. [ ] JSW) Talked with Senator Milton Young giving him a status report on the special project. He was most grateful for being brought up to date. He also mentioned in passing that the Rusk Committee was holding a meeting this coming Saturday, 27 May. However, Senator Russell had told him that he was not planning to attend and Senator Young said he doubted that he would be attending either.

25X1

3. [ ] JSW) Talked with Representative Charles Gubser asking whether he would be at all interested in receiving some material from his constituents for turnover to the Agency. Mr. Gubser said he thought this should be left to the pros and he would rather not be involved.

25X1

4. [ ] JSW) Mr. Michaels, House Appropriations Committee staff, called to advise that the transcripts of Poats testimony before Passman's Subcommittee are available for our review. As to an item which involves the Agency, I told Mr. Michaels we would be in in the next day or two to look this over.

25X1

5. [ ] JSW) Briefed Mr. William Woodruff, Senate Appropriations Committee staff, and Mr. Russ Blandford, House Armed Services Committee staff, on the current status of a special project. They were most grateful.

25X1

6. [ ] - JSW) [ ] advised that AID had informed him that William Hall, AID, in testifying before the Hays Subcommittee today, was asked questions about [ ]

25X1

[ ] Hays asked him to get this information for the record or get CIA to provide the information. I told [ ] to have the AID people inform the staff of the Hays Subcommittee that the Agency would contact them directly.
